*REFINEMENT  
REDEFINED*

The 2014 Acura TL seamlessly blends sophistication with exhilaration by refining the space, and redefining the experience, behind the wheel.

Heart-racing horsepower and confidence-raising handling empower the driver, while cutting-edge technology effortlessly integrates them with the car. Impeccably stylish, innovatively designed, and incredibly well equipped, the TL sets the bar for luxury in a sedan.

PERFORMANCE  
ARTIST

Don't just turn the next corner, take it. With the available Super Handling All-Wheel Drive™ (SH-AWD®) system in the 2014 TL, you'll have the confidence to do just that. Acura's innovative system detects road conditions and reacts accordingly by alternating torque from front to rear wheels, as well as splitting rear-wheel torque from left to right for a continuously smooth ride and an increasingly confident driver.

**TWO DIFFERENT ENGINES.  
ONE COMMON GOAL.**

Standard in the TL, but not at all standard, is an adrenaline boosting 3.5-litre, 24-valve, VTEC® V6 engine. TL models with SH-AWD® are upgraded to a 3.7-litre, 24-valve, VTEC V6 engine. Both are cast in aluminum for lighter weight and improved durability. Both feature Multi-Point Programmed Fuel Injection (PGM-FI) for increased fuel efficiency, while still providing optimal power output. And both are designed to deliver exhilaration at the push of a button.

**GENEROUS HORSEPOWER  
AND TORQUE**

Whether it's the 305 hp and 273 lb.-ft. of torque produced by the available 3.7-litre VTEC power plant, or the 280 hp and 254 lb.-ft. of torque imparted by the 3.5-litre VTEC engine, the TL will never leave you looking for power. Stick with the standard 6-speed automatic transmission to further enhance performance and fuel efficiency, or form an even closer bond to your TL with the increased control that comes from the available close-ratio 6-speed manual transmission.\*

\*Available on TL SH-AWD® Technology Package.

**PADDLE  
SHIFTERS**

Racing-inspired paddle shifters mounted intuitively behind the TL's leather-wrapped steering wheel not only pair the excitement of manual gear shifting with the performance of an already quick-shifting 6-speed automatic transmission, they also help seamlessly pair your instincts with those of the TL.

**SPORT  
SUSPENSION**

4-wheel independent double-wishbone front and rear multi-link suspension are engineered to give you enviable stability and flat cornering response. The front suspension utilizes a short upper arm for maximum grip and turning compression, while a high-placed lower suspension arm delivers superb vehicle control with a stiffer steering feel. The rear suspension features a precision pillow joint for enhanced handling and stability. Together, they add up to an exhilarating ride no matter what the road ahead has in store.

A-SPEC

The refined luxury and exhilarating ride of the TL, delivered in an impactful, limited edition trim package that truly sets it apart.

This is TL A-Spec.

Outside, the TL now takes on a more confident appearance thanks to front, side and rear underbody spoilers as well as a rear decklid spoiler and A-Spec badging. 18-inch aluminum-alloy wheels further bolster TL's confidence, while the A-Spec SH-AWD® Package makes an even bigger impression with 19-inch wheels. Inside, contrast leather stitching adds a hint of sporty style to TL's sophisticated cockpit, while a Keyless Access System with driver recognition and pushbutton start add an extra touch of technology.

#### HANDSFREELINK™ AND BLUETOOTH®-ENABLED TECHNOLOGY

Let your TL extend your connections beyond the road without you ever having to take your concentration off of it. Simply program and link your Bluetooth-enabled wireless device to the HandsFreeLink-bilingual mobile phone interface\* to make, receive and transfer calls from your phone, over the audio system, without having to remove your hands from the steering wheel. Once programmed, your mobile device will respond to voice activation, so all you have to do is say the word and your TL will make sure you're always in touch.

\*Only compatible with certain devices.

#### SATELLITE-LINKED NAVIGATION SYSTEM

Using satellite-linked GPS technology, the TL's available Acura Navigation System can pinpoint your location almost anywhere in North America. With trilingual voice-recognition software, recognizing up to 800 verbal commands, the system can deliver real-time, easy-to-follow driving directions by voice as well as with an on-screen map display. Accessing its search directory, the system can show you the most direct route, offer an alternative route when needed and even use the Zagat Survey® ratings to help you find a restaurant when you decide it's time to stop and eat.

#### ACURA/ELS SURROUND® PREMIUM AUDIO SYSTEM

An available multi-channel surround sound system developed in part with Grammy® Award-winning producer and sound engineer Elliot Scheiner. Ten strategically placed speakers flood the cabin with an awesome 440 watts of rich quality audio. Plus, an in-dash CD player with DVD-Audio, Dolby® Pro Logic™ II and DTS®, with MP3/Windows Media® Audio compatibility and integrated SiriusXM,™\*\* allow for music consumption in a variety of formats.

\*\*Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at [www.siriusxm.ca](http://www.siriusxm.ca).

#### VOICE-ACTIVATED CONTROL

Luxury is at your beck and call. A majority of the advanced functions and features available with the Technology Package and Elite Package can be controlled just by the sound of your voice. Press the steering wheel-mounted voice control button to set or adjust the dual-zone automatic climate control, audio system or to explore the world through your navigation system.

#### BLIND SPOT INFORMATION SYSTEM (BSI)

Available exclusively with the TL SH-AWD® Elite Package, the Blind Spot Information system\* (BSI) expands your field of vision by providing information about vehicles that are in, or about to enter your blind spot when you're passing, being passed, merging, or changing lanes. The BSI system uses radar technology that is designed to detect objects moving as slow as ten kilometres per hour.

\*The system is not a substitute for your own visual assessment before changing lanes; system accuracy will vary based on weather, size of object and speed.

#### REARVIEW CAMERA

Available with the TL Technology and Elite Packages, a rearview camera\* located in the rear spoiler gives you a view you wouldn't otherwise have, that of the area directly behind you. A full-colour image is displayed on the navigation system screen and steering guidelines can be shown to further establish your sense of space. Like so many other features of the TL, this too is intuitive, automatically activating itself when you engage reverse.

\*Does not replace the driver's responsibility to exercise due care while driving.

---

## YOUR COMFORT ZONE

### INTERIOR REFINEMENT

When it came to crafting the interior cabin space of the TL, Acura designers went to great lengths, and widths, to ensure every detail excels in its ability to comfort, engage and inspire. A distinctive high-quality combination of premium leather and metallic accents abounds. The TL SH-AWD® package earns extra style points with a thicker sport-grip steering wheel, while the available Technology and Elite Packages include full-grain, perforated Premium Milano leather seats and trim.

### POWER-ADJUSTABLE HEATED FRONT SEATS

Become one with your TL as you immerse yourself in the luxury of the two tightly bolstered front seats with available perforated Premium Milano leather trim. For drivers, the optimum seating position is easy to obtain with a 10-way power adjustable seat including 2-way power lumbar support and 2-position memory. Front passengers experience similar form-fitting perks with their own 8-way power-adjustable seat. Standard heated front seats, plus the ventilated front seats available with the SH-AWD® Elite Package, give you additional seasonal comfort all year long.

### CUSTOMIZED COMFORT

The TL's advanced dual-zone, dual-mode adaptive climate control system allows you to set and maintain separate temperature levels in two different zones within the cabin. The dual-mode part of the climate equation enables you to set two vent modes in each of the zones. And for the ultimate in customized comfort, the TL's available Keyless Access System with driver recognition will have your seat position, side mirrors, climate, audio and navigation systems set and ready before you even enter the vehicle.

At Acura, Safety Through Innovation is based on the idea that an advanced driving experience starts with advanced safety features. This guiding principle is reinforced through the extensive number of standard safety features and use of innovative technologies you'll find in all Acura vehicles.

---

## SAFETY THROUGH INNOVATION

### ACE™ BODY STRUCTURE

The innovative Advanced Compatibility Engineering™ (ACE) body structure adopts a high-tensile, high-efficiency steel body structure to provide enhanced protection from a multi-directional collision. ACE reduces the concentrated force of a frontal impact by absorbing energy over a large area and dispersing it away from the occupants of the cabin. Additionally, ACE is designed to help reduce occupant injuries caused by misalignment in collisions between vehicles of different sizes.

### VSA®

The Vehicle Stability Assist (VSA) system with Traction Control is engineered to automatically detect and correct understeer or oversteer situations, sometimes before you're even aware there's a problem. The system intuitively analyzes the conditions and then reduces throttle and/or applies braking to individual wheels. Should a loss of traction occur on a slippery surface, Traction Control is engineered to help compensate to get you safely underway.

### ANTI-LOCK BRAKING SYSTEM (ABS)

The Anti-lock Braking System (ABS) helps you maintain steering control when braking hard on wet, slippery or loose surfaces, while Electronic Brake-force Distribution (EBD) balances front-to-rear braking forces, to help compensate for cargo and passenger weight distribution inside the cabin.

### AIRBAGS

A significant level of safety is achieved with multiple airbags designed to protect all occupants inside the cabin. Depending on the point and force of impact, the TL will deploy dual-stage, dual-threshold front airbags (SRS) that activate at one of two rates depending on the severity of the impact; front side airbags with the innovative passenger-side Occupant Position Detection System (OPDS) that is designed not to release if the system detects a child or small-sized passenger; and side curtain airbags with a state-of-the-art rollover sensor.

## SPECIFICATIONS

<b>ENGINE</b>	
Engine	3.5-litre, 24-valve, SOHC, VTEC® V6
Horsepower	280 hp @ 6200 rpm
Torque	254 lb.-ft. @ 5000 rpm
Displacement	3471 cc
Bore and stroke	89 x 93 mm
Compression ratio	11.2:1
Multi-Point Programmed Fuel Injection system (PGM-FI®)	
Electronic direct ignition system	
Recommended fuel	Premium unleaded
Horsepower & Torque (SAE net, Rev. 08/04, SAE J1349)	

#### DRIVETRAIN

6-speed automatic transmission (AT) with paddle shifters and Grade Logic Control
Drive-by-Wire Throttle System™
Front-wheel drive

<b>CHASSIS</b>
17" x 8" aluminum-alloy wheels
4-wheel independent double-wishbone front suspension with multi-link rear suspension
Electronic Power Steering (EPS)
Rear drum-in-disc brakes
Stabilizer bars – front/rear: 30/19 mm
Tires: P245/50 R17 all-season
Ventilated front disc brakes

<b>INTERIOR DIMENSIONS</b>	
Headroom – front/rear	976/932 mm
Hip room – front/rear	1415/1392 mm
Interior volume	2781 litres
Legroom – front/rear	1080/920 mm
Shoulder room – front/rear	1477/1428 mm
Seating capacity	5

<b>FUEL ECONOMY</b>	
City	10.4 litres/100 km*
Highway	6.8 litres/100 km*

#### SAFETY

3-point height-adjustable seat belts with dual stage load limiters and Automatic Tensioning System (front)
3-point seat belts (rear)
4-wheel Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist
Active front seat head restraints
Advanced Compatibility Engineering™ (ACE™) body structure
Childproof rear door locks
Dual-stage, dual-threshold front airbags (SRS)
Front side airbags with passenger-side Occupant Position Detection System (OPDS)
Immobilizer Theft-Deterrent System and security system
Impact-absorbing crumple zones – front and rear
LED mirror-integrated directional signals, taillights, brake lights and Centre High Mount Stop Light
Lower Anchors and Tethers for Children (LATCH) child-seat mounting system
Phosphorescent emergency trunk opener
Side curtain airbags with rollover sensor
Tire Pressure Monitoring System (TPMS) with location indicators
Vehicle Stability Assist (VSA®) with Traction Control

#### COMFORT & CONVENIENCE

12-volt power outlets (2)
Auto-dimming rearview mirror
Blue LED ambient driver’s and front passenger’s footwell lighting
Blue LED ambient roof console lighting
Driver’s and front passenger’s illuminated vanity mirrors
Dual-zone, dual-mode automatic climate control with auto humidity control and air-filtration system
Electric trunk and fuel-filler-door releases
Exterior temperature indicator
Front centre console with hidden armrest sliding tray, storage compartments, dual beverage holders and coin holders
HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface\*\* with Phonebook Link
HomeLink® remote system\*\*\*
Illuminated steering wheel-mounted audio, phone, MID and cruise controls
Lower instrument-panel side-pocket storage (driver’s and passenger’s)
Maintenance Minder™ system
Multi-Information Display (MID)

Overhead LED map lights – front and rear
Overhead sunglasses storage
Power windows with driver’s and front passenger’s auto-up/down, auto-reverse and key-off operation
Rear compartment heat/air conditioning vents
Rear-seat centre armrest with locking trunk pass-through and dual beverage holders
Remote entry system with driver recognition for driver’s seat, side mirrors and climate control
Speed-sensing, variable intermittent windshield wipers
Tilt and telescopic steering column
Trip computer
User-programmable interior lighting

<b>EXTERIOR</b>
Acoustic front windshield
Auto-on/off headlights
Body-coloured front splash guards
Dual exhaust with finishers
Fog lights
Heated side mirrors with driver recognition, reverse gear tilt-down and LED integrated directional indicators
Heat-rejecting green-tinted glass
High-Intensity Discharge (HID) headlights
Platinum-plating front Acura grille
Power moonroof with tilt, auto-open/close, auto-reverse, key-off operation and sliding shade

<b>SEATING &amp; TRIM</b>
Adjustable head restraints – front and rear
Driver’s seat with 10-way power adjustment including 2-way power lumbar support and 2-position memory
Dual-level heated front seats
Carpeted floor mats
Front passenger’s seat with 8-way power adjustment
Solid leather-trimmed interior

<b>EXTERIOR DIMENSIONS</b>	
Curb weight	1695 kg
Ground clearance – Non-load/Full-load	155/115 mm
Height	1452 mm
Length	4928 mm
Track – front/rear	1605/1620 mm
Wheelbase	2775 mm
Width (including sideview mirrors)	2118 mm
Width (excluding sideview mirrors)	1880 mm

<b>CAPACITIES</b>	
Cargo volume	371 litres
Fuel tank capacity	70 litres
Windshield washer fluid tank	5.5 litres

<b>PACKAGES</b>

<b>SUPER HANDLING ALL-WHEEL DRIVE™ (SH-AWD®) PACKAGE</b>
<i>(Adds to or replaces TL features)</i>
Available close-ratio 6-speed manual transmission (MT) (requires Technology Package)
3.7-litre, 24-valve, SOHC, VTEC® V6 engine
Horsepower: 305 hp @ 6300 rpm
Torque: 273 lb.-ft. @ 5000 rpm
Displacement: 3664 cc
Bore and stroke: 90 x 96 mm
18" x 8" aluminum-alloy wheels
Tires: P245/45 R18 all-season
Co-operative Vehicle Stability Assist (VSA®) with Traction Control
Curb weight: 1807 kg
Ground clearance – Non-load/Full-load: 145/111 mm
Fuel economy (City/Hwy): 11.4/7.6 litres/100 km*
Headlamp washers

Hill Start Assist
Sport-grip steering wheel and interior coloured stitching
Stabilizer bars – front/rear: 31/20 mm (rear wall thickness: 4.5 mm)

<b>A-SPEC PACKAGE</b>
<i>(Adds to or replaces TL and TL SH-AWD® features)</i>
18" x 8" aluminum-alloy wheels (TL only)
Tires: P245/45 R18 all-season (TL only)
19" x 8" aluminum-alloy wheels (TL SH-AWD® only)
Tires: P245/40 R19 all-season tires (TL SH-AWD® only)
Aero Kit (front, side and rear skirts) with rear decklid spoiler and A-Spec badges
Cargo volume (TL SH-AWD®): 354 litres
Contrast leather stitching (TL only)
Curb weight: 1709 kg (TL)
Curb weight: 1815 kg (TL SH-AWD®)
Fuel economy (City/Hwy): 11.4/7.6 litres/100 km* (TL SH-AWD®)
Keyless Access System (smart entry and pushbutton start) with driver recognition for driver’s seat, side mirrors and climate control

<b>TECHNOLOGY PACKAGE</b>
<i>(Adds to or replaces TL and TL SH-AWD® features)</i>
60 GB hard disk drive (HDD) Acura Navigation System with trilingual Voice Recognition,™ rearview camera†† with onscreen display guidelines, wallpaper function and illuminated steering wheel-mounted controls
Acura/ELS Surround® 440-watt Premium Audio System with 1-disc CD, DVD-Audio and DTS® changer, AM/FM tuner (RDS-enabled), MP3/Windows Media® Audio compatibility, Dolby® Pro Logic™ II, Song By Voice™ and 10 speakers
15 GB hard disk drive (HDD) storage (navigation and audio)
Curb weight: 1701 kg (TL)
Curb weight: 1761 kg (SH-AWD® MT)
Curb weight: 1811 kg (SH-AWD® AT)
Fuel economy (City/Hwy): 11.9/8.0 litres/100 km* (SH-AWD® MT)
GPS-linked, solar-sensing, dual-zone, dual-mode automatic climate control system
Keyless Access System (smart entry and pushbutton start) with driver recognition for driver’s seat, side mirrors, climate control and select audio and Navi settings
Perforated Premium Milano leather-trimmed interior
Rear decklid spoiler (with integrated rearview camera††)

<b>ELITE PACKAGE</b>
<i>(Adds to or replaces TL SH-AWD® with Technology Package features)</i>
19" x 8" aluminum-alloy wheels
Tires: P245/40 R19 all-season
Curb weight: 1820 kg
Blind Spot Information system‡ (BSI)
Ventilated front seats

At Acura, when innovation and performance meet purpose, remarkable things can be achieved. Through our commitment and continued involvement with events and organizations across Canada, we seek to create engaging and inspiring experiences for our customers and our community. Because at Acura we believe exhilaration goes beyond the driver's seat.

HOTELS

Acura has teamed up with W Hotels – a global luxury chain – to provide a fully loaded partnership that offers guests complimentary transportation in an Acura vehicle. The Whatever/ Whenever® service gets guests where they need to go in advanced luxury and style.

PRESENTING SPONSOR  
CANADIAN BROADCAST

Acura is honoured to be the Canadian broadcast sponsor of golf's most historic and time-honoured tournament. The Masters is golf's first major open of the season and is famous for its ceremonial "Green Jacket" winner's presentation.

Driving a luxury vehicle should go beyond engineering and amenities. That's why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

#### WARRANTY

Your new Acura vehicle comes with the following warranties: Major Component – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor's limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery).

Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

#### ACURA PLUS

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura's flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

#### LEASING AND FINANCING

Owning your Acura is easy. See your Acura Retailer for complete details on Conventional Financing\*.
