The 2017 ILX stirs your imagination with an aggressive powertrain, forceful exterior styling and premium interior design.
PERFORMANCE

POWER

FEATHERWEIGHT CONTENDER

Beauty meets beast. The impressive 201-hp, 2.4-litre i-VTEC® engine in the ILX gives it a remarkable power-to-weight ratio, making you more nimble and quick on the road.

Horsepower and torque calculations reflect SAE net, Revision 08/04, SAE J1349 procedures.
DIRECT INJECTION

DRIVE LIKE DYNAMITE

The direct-injection system in the ILX delivers fuel pressurized at up to 2,900 psi, giving the engine more power and better efficiency.

TRANSMISSION

DELAY IS THE ENEMY

The ILX’s 8-speed dual-clutch transmission with torque converter is engineered to be a step ahead, delivering rapid yet smooth transitions and lightning-quick responses.

PADDLE SHIFTERS

CONTROL FREAK

Race-inspired control. Up or downshift and take full advantage of the quick-reacting dual-clutch transmission. With paddle shifters on all trims, you’ll experience more control and a more direct connection to the car.
React to the road ahead. The ILX is equipped with Amplitude Reactive Dampers that are engineered to give you the best of whatever the situation demands. They operate in two unique performance zones, helping to offer both a composed, comfortable ride and precise handling.

Tailor-made turns. The ILX has sport-tuned steering that is designed to allow the vehicle to respond instinctively with the driver, thus reacting quicker and more directly to the driver’s input for a more accurate and reassuring feel.
EXTERIOR DESIGN
IT’S HARD NOT TO STARE
The bold, aggressive design of the ILX features a distinctive front end, highlighted by standard Jewel Eye™ LED headlights, an eye-catching grille design and aggressive front and rear lower fasciae.

LED HEADLIGHTS
READY, SET, GLOW
Acura’s signature Jewel Eye™ LED headlight system presents an array of lighting with a total of ten separate, highly-focused LEDs with optical lenses to provide powerful down-the-road illumination.

QUIET CABIN
DOES NOT DISTURB
Did you hear that? Neither did we. With Active Noise Control to help cancel out unwanted engine sounds and standard noise-reducing wheels to cut resonation, the ILX is remarkably quiet.

A-SPEC
LOOKS ARE EVERYTHING
The A-Spec appearance package gives the ILX an even sportier look with brilliant fog lights, machine-finished 18” alloy wheels, side skirts and a deck lid spoiler. The interior look is complete with stainless steel sport pedals, red instrument illumination, Lux-Suede-trimmed sport seats, black headliner and contrast stitching.

DESIGN
PERFECTION FROM EVERY ANGLE
THRIVES UNDER PRESSURE
STRENGTH FROM WITHIN
Acura’s Advanced Compatibility Engineering™ body structure is designed to absorb and more evenly distribute energy from impact, regardless of how big or small the other vehicle may be. So, in the case of a crash, the vehicle is engineered to transfer energy around the vehicle and away from passengers.
The available AcuraLink™ connectivity system can send destination information directly to your car and reroute your journey based on highway conditions. Stream music content and drive with added confidence knowing you have access to 24/7 Enhanced Roadside Assistance and even your own personal concierge. Not near your car? No problem. The Connect app acts as a remote and tool for diagnostics. Lock and unlock your car and check tire pressure and fuel level, all from the convenience of an app. All three tiers of services are complimentary for the first year of ownership.

REMOTE CONTROL STARTER
START YOUR ENGINES
The ILX comes with a standard remote starter that’s detected from a long distance away, so the engine has begun to warm up and the cabin is either heated or cooled appropriately on entry. Even the defrost will help to preemptively clear the windshield on those ice-cold days.

NAVY
MAKE EVERY TURN A SHORTCUT
The ILX’s available Acura Navigation System with Voice Recognition™ gathers street and highway information to help you dodge traffic and reduce stress. The available iPhone® Navigation app acts as an alternative to embedded navigation, seamlessly transferring map information from your compatible iPhone to your vehicle’s navigation screen. Simply download the Navigation app for a convenient way to keep your eyes on the road ahead.

SIRI EYES FREE
A PERSONAL ASSISTANT THAT WON’T STEER YOU WRONG
Read and respond to incoming texts and emails, set reminders and alarms, get turn-by-turn voice navigation and even check the weather—all with your hands on the wheel.

ODMD
YOUR TOUCH IS OUR COMMAND
The available On-Demand Multi-Use Display™ gives you the ability to adjust climate control settings and select preferred audio, including available SiriusXM®, all on an easy-to-use touch screen with haptic feedback.

*None of the features we describe are intended to replace the driver’s responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to the vehicle’s owner’s manual.

*Only compatible with certain devices and operating systems.
Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

∆Subscription required. One year complimentary subscription to AcuraLink Standard, AcuraLink Connect, and AcuraLink Premium included; after which fees, taxes and other charges will apply in order to continue subscription. The availability of certain cellular networks is required for AcuraLink to operate properly. Service interruptions may occur and/or vehicle system upgrades may be required if cellular network availability is compromised. Ask your dealer for full terms and conditions.

†Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.

‡Requires one-time download of AcuraLink™ navigation application (CAD$84.99 plus applicable taxes). Price is subject to change.

‡‡Requires one-time purchase and download of AcuraLink™ navigation application (CAD$84.99 plus applicable taxes).
Developed by Grammy Award®-winning music producer Elliot Scheiner, Acura’s available ELS Surround® Premium Audio System transforms your vehicle into a personal soundstage—whether it’s Aha™, SiriusXM™ or Bluetooth® Audio. Between the studio-grade equipment and the ILX’s purposefully quiet cabin, enjoy extended frequency range, lower distortion, enhanced clarity and transparency to create an audio experience like no other.

None of the features we describe are intended to replace the driver’s responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to the vehicle’s owner’s manual.

*Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

†Only available in certain areas. Includes a no-charge trial of three months.

TECHNOLOGY

CRUISE TO THE BEAT

AUDIO SYSTEM

HEAR NO EVIL
SAFETY IS OUR SIXTH SENSE

Advanced driver assistance features such as the standard multi-angle rearview camera are designed to allow you to watch the road around you, offering warnings and even taking action when you need it. From guiding you back to the centre of your lane if you begin to drift or braking if you get too close to the car ahead, AcuraWatch™ is designed to help minimize threats—and stress—no matter where you’re headed.

None of the features we describe are intended to replace the driver’s responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to the vehicle’s owner’s manual.
