## VEHICLE INSURANCE REQUIREMENTS

---

As part of your lease agreement with Acura Financial Services (AFS), you are required to keep your vehicle adequately insured for the duration of your lease. Coverage includes the following minimum insurance requirements:

- Third-party liability coverage: minimum of \$1,000,000
- Collision coverage deductible: maximum of \$1,000
- Comprehensive coverage deductible: maximum of \$1,000
- Honda Canada Finance Inc. must be listed as the lessor on the policy with supporting 5A "Permission to Rent or Lease Endorsement"
- The name(s) insured on the policy must be the name(s) listed on the vehicle lease agreement

Insurance must be confirmed to us annually or anytime your policy changes. To avoid being in default under your lease contract with AFS, please ensure your insurance information is updated annually.

Please note, insurance coverage removal for storage reasons is only permitted in the provinces of Manitoba, British Columbia and Quebec.

You are not permitted to export the vehicle for a period exceeding 30 days outside the province or territory in which this lease was entered into without the prior written consent of AFS.

If you have any questions about the insurance requirements for your vehicle, please contact the AFS Insurance Tracking Department at 1-866-899-4440 (ext. 2500).

## *WHAT TO DO IN THE EVENT OF A COLLISION*

---

### **INVOLVED IN A COLLISION?**

Should you be involved in a collision, please call Acura Concierge at 1-866-899-4440 after you have reported the details of the accident to the police and your insurance company.

An AFS Total Loss Representative will settle the claim with your insurance adjuster. If a waiver of depreciation does not apply, we will settle your account based on the fair market value and any insurance overpayment will be refunded to the lessee.

### **GUARANTEED AUTO PROTECTION**

Every AFS automobile lease contract carries automatic GAP protection. In the event of a total loss insurance claim (where a waiver of depreciation does not apply), there may be a difference between your contractual obligation and the amount of the insurance settlement. GAP protection will cover the deficiency in such a situation. GAP will not cover insurance deductibles, late payments, fines, excess kilometre charges or negative equity.

- Interior & exterior condition of the vehicle
- Adhere to regular maintenance schedule, as recommended in the vehicle Owner's Manual

### **HOW DO I SCHEDULE THE INSPECTION?**

- 2 keys (and valet key if applicable)
- Owner's manual(s)

### **WHERE DOES THE INSPECTION TAKE PLACE?**

#### **HOW LONG WILL THE INSPECTION TAKE?**

Approximately 30-40 minutes.

#### **HOW SOON WILL I BE ABLE TO SEE THE INSPECTION REPORT?**

Results will be available within 2 days of the vehicle inspection. The inspector will provide you with a card explaining how to access the report online.

#### **I HAVE DAMAGES OR CHARGEABLE WEAR AND TEAR LISTED IN MY INSPECTION REPORT, WHAT ARE MY OPTIONS?**

- If you purchased Lease-Guard at lease inception, the charges may be covered based on Lease-Guard parameters.
- If you did not purchase Lease-Guard, you may choose to have the repairs completed by your local Acura dealer. Once the repairs are completed, your dealer will update Acura Concierge and your inspection charges will be adjusted.

## WEAR AND TEAR OVERVIEW

---

You can find your Wear and Tear Transparency Card in your Lease Care Package folder. The card is designed to assist you in the assessment of possible damages and chargeable wear and tear. Use the card to measure any damage you find on your vehicle to better understand which items might be considered excess wear and tear.

### **NOTE**

This card is intended for estimating purposes only. Exact measurements are not guaranteed. All determinations of what constitutes excess wear and tear will be determined by AFS (or an AFS designated representative) in their sole discretion.

#### **1. VEHICLE EXTERIOR**

Dents and scratches are considered allowable if less than 5 cm. If they do not exceed the limits shown on the Wear and Tear Card they will generally be considered non-chargeable. More than 3 dents on a single panel are considered excess wear and tear.

#### **2. WINDSHIELD AND GLASS**

Most glass damage is chargeable. The Wear and Tear Card will help you to determine the costs that may be assessed for damaged glass on your vehicle.

#### **3. VEHICLE INTERIOR**

The Wear and Tear Card will help you determine if any scuffs, cracks, stains and tears are larger than 1.5 cm.

#### **4. WHEELS AND TIRES**

The Wear and Tear Card can be used to measure the tread depth on your tires. Insert the card into the tread, the blue line represents the minimum acceptable tread depth for your tires.

## *FREQUENTLY ASKED QUESTIONS*

---

### **CAN I LEASE A NEW ACURA BEFORE MY PRESENT LEASE IS SCHEDULED TO END?**

Absolutely. Please contact your local dealership to get more information on loyalty offers available to you on a new vehicle. The dealership will also provide details on your current lease and the process to move into a new vehicle.

### **WHAT ARE MY OPTIONS TO WITHDRAW FROM MY LEASE CONTRACT EARLY?**

Contact your local Acura Dealer for your present lease details, purchase options, loyalty offers and our exciting new models.

### **CAN MY ACURA DEALER PERFORM THE INSPECTION ON MY VEHICLE?**

In order to best ensure a fair evaluation of your leased vehicle, Acura Financial Services has contracted with a third party service provider to perform lease-end vehicle inspections. Only authorized agents from this provider can perform the vehicle inspection.

### **I HAVE MADE REPAIRS TO THE VEHICLE. HOW DO I ENSURE I WILL NOT BE INVOICED BY ACURA FINANCIAL SERVICES?**

When repairs have been completed, it is important that you contact your local Acura dealer. Your dealer will update the Renewal & Maturity Centre and your inspection charges will be adjusted if the repairs have been completed to manufacturer's specifications. ### **WHAT IF SOMETHING HAPPENS TO MY VEHICLE BETWEEN THE TIME IT IS INSPECTED AND THE DATE THAT I RETURN IT?**

If the vehicle sustains damage after it has been inspected (example: it is in an accident) it is still your responsibility to have it repaired or pay for the estimated cost of repairs.
